DATE: June 28, 1991

SUBJECT: 1992-1996 Capital Improvements Program

In accordance with General Ordinance G-13-82 the 1992-1996 Capital Improvements Program for the City of Fort Wayne is being forwarded for your consideration. In addition to the programmed capital expenditures planned for the next five years, a narrative for each department has been included with this document. These narratives briefly describe the funding sources currently available to the respective departments. They also highlight several capital needs for which funding is not now sufficiently defined as to be included in the programmed expenditures sections.

As is the City's standard procedure, an Ordinance approving the 1992-1996 Capital Improvements Program as a general guide for capital expenditures will be forwarded for introduction on July 9th. We will, of course, be available to discuss the Program at a subsequent Council meeting. Should you have any questions prior to that presentation please do not hesitate to contact me at 427-1111.
